Food Drive 101

Step 1: Register your food drive at foodbankcenc.org/fooddrive.

This allows us to have your contact information and the details of your drive, in case you have any questions.

Step 2: Plan ahead to ensure your drive's success.

Things to consider: When is the drive happening and for how long will you collect? What is your goal? Will there be a contest involved? Who will you invite to join? What other resources or materials do you need?

Step 3: Host and Promote your drive.

Host: Borrow boxes from the Food Bank or use your own. Check our list of most needed items. Have a contest, decorate boxes, build a can structure. Be creative and fun.

Promote: Send an email, make a flyer, use your social media to get the word out. Check our website for information about hunger and our mission, and tell everyone why their donations are so important to those we serve.

Step 4: Wrap it up.

Deliver your donation to the Food Bank branch near you. Share your success. Tell others in a newsletter or tag us on Facebook, Twitter, or Instagram at @FoodBankCENC, and use the hashtag #NoOneGoesHungry.
