

# 2017-2018 ORANGE COUNTY PROFILE

What is the impact of food insecurity in the 34 counties served by the Food Bank of Central & Eastern North Carolina? In our service area, 600,000 individuals were unable to consistently access enough nutritious food to live a healthy, active life, or went hungry because they had to skip meals. Hunger has grown into an epidemic, and is still more prevalent than ever, affecting more than just the families living at or below the poverty line. Food insecurity has emerged as a defined reality for hundreds of thousands of hard-working Americans who still cannot keep food on the table. The Food Bank continues our commitment to feed those living with hunger and will be more focused than ever as we deliver care through our programs to serve children, families and seniors.
