**About the Food Bank of Central & Eastern North Carolina**

The Food Bank of Central & Eastern North Carolina is a nonprofit organization that has provided food for people at risk of hunger in 34 counties in central and eastern North Carolina for 30 years. The Food Bank serves a network of more than 800 partner agencies such as soup kitchens, food pantries, shelters, and programs for children and adults through warehouses in Durham, Greenville, New Bern, Raleigh, the Sandhills (Southern Pines) and Wilmington. In fiscal year 2009-2010, the Food Bank distributed more than 41.5 million pounds of food and non-food essentials through these agencies. Sadly, hunger remains a serious problem in central and eastern North Carolina. In these counties, more than 500,000 struggle each day to provide enough food for their families.
