Food Bank of Central & Eastern North Carolina to Distribute TEFAP in Scotland Neck

RALEIGH, NC - The Food Bank of Central & Eastern North Carolina, one of seven Feeding America member food banks in North Carolina, will distribute The Emergency Food Assistance Program (TEFAP) government commodities in Scotland Neck from 8:30 a.m. to 10:30 a.m. on Saturday, September 22. The distribution will be held at 1310 Main Street in Scotland Neck. The Food Bank will hand out approximately 200 boxes of food during the distribution.

TEFAP is the Federal commodities program that helps to provide food assistance to low-income households. In North Carolina, individuals and families whose incomes are at or below 200 percent of the Federal Poverty Guideline qualify to receive TEFAP commodities. For example, a family of four that earns \$44,700 or less each year qualifies to receive TEFAP commodities. Any household that receives Food and Nutrition Services (i.e. FNS, formerly known as Food Stamps) benefits automatically qualifies to receive TEFAP commodities. Families do not have to prove their household incomes or FNS participation to receive commodities. Families self-declare their eligibility for the program.

Commodities will be available on September 22 on a first-come, first-serve basis. The TEFAP distribution will be held in conjunction with a regularly scheduled distribution of produce and perishable items that is done with a community partner.

For more information about the distribution, please call 919-875-0707 extension 2017.

About the Food Bank of Central & Eastern North Carolina

The Food Bank of Central & Eastern North Carolina is a nonprofit organization that has provided food for people at risk of hunger in 34 counties in central and eastern North Carolina for more than 30 years. The Food Bank serves a network of more than 900 partner agencies such as soup kitchens, food pantries, shelters, and programs for children and adults through warehouses in Durham, Greenville, New Bern, Raleigh, the Sandhills (Southern Pines), and Wilmington. In fiscal year 2011-2012, the Food Bank distributed nearly 45 million pounds of food and non-food essentials through these agencies. Sadly, hunger remains a serious problem in central and eastern North Carolina. In these counties, more than 560,000 struggle each day to provide enough food for their families. www.foodbankcenc.org.
